CAHSEE(California High School Exit Exam): Grades 10, 11, 12 participate. Beginning with the Class of 2006, all public school students will be required to pass the CAHSEE to earn a high school diploma. 10th graders can only attempt one time per year and it must be in the Spring. 11th graders can only attempt two times per year. 12th graders can attempt three times per year. There are two parts to the exam; ELA(English Language Arts) is administered one day, and Math is administered the next day.

CELDT(California English Language Development Test) : This is a State-required test for English language proficiency that must be given to students in grades K-12 whose primary language is other than English. If the language questions on the CWCS application are answered with any other language than English, those students must be tested within 30 days of enrollment for Initial testing. Annual testing is administered once a year, by October 31st to students who tested the previous year and were placed as an English Learner.

PFT(Physical Fitness Test): Only grades 5, 7, 9 participate. The test window runs from Feb-May. We do the bulk of our testing during the STAR test window for logistical reasons.

Scantron (Online pre-test, post-test, and benchmarks): Required for all non-proficient 4-11th grade students and seniors needing CAHSEE intensive. This test is used as both a diagnostic tool and as a performance indicator on an individual student basis.

STAR(Standardized Testing and Reporting): Grades 2-11 participate

WRAT(Wide Range Achievement Test): ESs are required to administer the pre-test to each newly enrolling K-3rd grade student within 30 days of initial enrollment in CWCS and to each returning K-3rd grader within 40 days. Post-testing should be completed by April 30.
