My signature below and initial on each line indicates **that I have read the charter document and discussed** the following topics as they relate to my student's enrollment in CWCS with my assigned ES and **have agreed to abide by the legal requirements of enrollment in CWCS.**

_____ Parents who enroll their children in CWCS shall, through specific enrollment and curriculum contracts, accept responsibility for their children's education

_____ Student progress will be assessed yearly through the current state mandated assessment tools and shall also meet any required state performance standards developed. This year they include: STAR testing, CAHSEE, PE test, CELDT. Ask your ES before initialing this line which tests are required for your student.

_____ Student progress will also be assessed using a variety of the following:

- Monthly review of work (required with a face to face ES/Parent or student visit)
- Annual portfolios (contains work for each semester enrolled, collected monthly)
- Parent, student, and Education Specialist observation (monthly)
- Student demonstrations (optional)
- Student grades (optional for K to 8th grades, required for 9th to 12th grades)
- Student work samples (collected by ES monthly at face to face visit)
- Student self-evaluation (optional)

_____ Each parent has the right of approval for all instructional materials and opportunities provided to his/her student. Curricula and materials shall support the California State Frameworks and Content Standards.

_____ CWCS will comply with all applicable laws, including the Family Education Rights and Privacy Act, concerning immunization, health and safety, first aid, child abuse reporting and related issues for both employees and students.

_____ Prior to admission, all parents must sign bi-annual Student Agreement contract regarding the charter school outcomes, philosophy, program, and any other applicable requirements including special education services offered by the charter school. All students' continued enrollment shall depend upon them fulfilling the terms of this contract.

_____ Students may be suspended or expelled from the charter school after a disciplinary hearing where the student is afforded due process and the right to be heard, for non-compliance with the terms of the Student Agreement, or any material violation of any of the conditions, standards or procedures set forth in the charter school petition, the school handbook or of the school's policies and procedures.

_____ Students who fail to demonstrate adequate and appropriate monthly progress toward the student standards, as determined by the professional judgment of the certificated Education Specialist assigned to that student, will be subject to expulsion for truancy.

_____ Attendance at this public charter school is entirely voluntary on the part of the students who enroll.
