

CWCS EDUSOFT

Edusoft is an online, web based software program that will take the anxiety out of the annual assessment testing for your students! This tool will help teachers and parents prepare their students for the yearly standardized tests right in their homes. You will see how quick and easy it will be take an assessment to check their understanding NOW of the concepts that they will be tested on in the Spring. Ask your ES for information on the benchmark exams.

Edusoft is provided by CWCS, *without* deductions from the ESs' Instructional Funds account, for any parent/student that chooses to use this service.

Please fill out the form below and give it to your ES so we can create your account today!

Edusoft Parent Sign Up Sheet

Please complete one form for each family, then cut off this bottom section and return ASAP for parent account creation.

Mail to CWCS 12420 Bentley Street, Waterford, Ca 95386

ES Code: ES _____ **ES Name:** _____

Parent Code: P _____ **Parent Name:** _____

My ES has explained and demonstrated the features of the online Edusoft system on our home computer (if available), for use with my students. I understand this is provided free by CWCS and there will be no deductions from my ES's IF account for my students for using this service.

_____ Sign me up and provide a system log in

_____ I decline use of Edusoft at this time. I understand that I can request another form from my ES at any time if I change my mind throughout the school year.

Please check reason for declining:

no computer no internet service not interested

other (please specify) _____

Parent Signature _____ **Date** _____

Parent email address: _____
