

# Assessment Confirmation

To be completed by ESS/parents (one per family) along with the 1<sup>st</sup> enrollment SA and Fall SA each school year after.

Mail with the Student Agreement to: IEM, 4535 Missouri Flat Road, Ste. 1A, Placerville, CA 95667

This letter is to provide notification and confirmation that you have received your mandatory school testing information from your ES, and understand the school requirements. This form provides us with your commitment that your student will attend these mandated assessments to be in compliance with state and federal law so that we can continue to provide the wonderful parent choice now available through your Charter School.

**Without your student's participation our charter school may cease to exist!**

**Directions:** Parent **must INITIAL** as directed below, *indicating your agreement* that your student will participate in all of the school, state, and federally required assessments listed. Failure to initial each applicable section below may delay the enrollment process for your student(s).

---

## PARENTS WITH STUDENTS IN GRADES 2-11 MUST INITIAL ONE ITEM IN THIS SECTION

---

### **Mandated STAR Assessment for all students in grades 2-11 each spring.**

Please note that even if your 11th grade student plans to graduate this year, he/she is still considered an 11<sup>th</sup> grader and must take the STAR. Testing will take place over a 3-4 day period in various geographic locations schoolwide.

*The Mandated STAR writing test is administered for all 4<sup>th</sup> and 7<sup>th</sup> graders and occurs at a different time/location than other STAR assessments. A portion of Student Instructional Funding will be spent on materials reviewing the State Content Standards in preparation for these assessments.*

*Physical fitness testing, (PFT) is administered in conjunction with STAR testing for grades 5, 7, and 9 only. Does your student have any pre-existing medical conditions that would prohibit them from participating in any of the following physical fitness testing: one mile walk/run, shoulder stretches, body weight/height, curl-up, trunk lift, push-ups? Please list medical condition: \_\_\_\_\_*

### **Mandatory School Assessment for all students in grades 2-11 each spring. (Only initial if STAR above is not initialed)**

This mandatory assessment takes place at the school office in Waterford and will take place over a 7 day period (all days are required) with transportation to Waterford to be provided by the parent. This schoolwide assessment may not be waived by the parent/student, but may be waived by the school if the student attends the STAR Assessment for the same school year (**Choose the "Mandated STAR assessment" in this section, if you wish to request that this test be waived by your student's participation in the STAR.**)

---

## PARENTS MUST INITIAL ALL ITEMS IN THIS SECTION

---

Your ES will explain each one and describe which ones pertain to your student(s). Your ES will discuss and arrange testing schedules as applicable.

\_\_\_\_\_ I will provide **transportation** for my child to the testing locations for all of their required assessments (**K-12**). Transportation to **all** of the required assessments on this form is the responsibility of the parent/student and not this charter school.

\_\_\_\_\_ **PLIP (Personalized Learning Improvement Plan):** I understand that if my student does not score proficient or advanced in Math or English on the STAR exam they will be part of a PLIP, which must be followed as a condition of enrollment. This plan could include, but is not limited to, online pre and post assessment, school adopted skills review program, tutors, online or learning center classes, PLT process, and/or benchmark exams.

### **CELDT Assessments will be given to EL students K-12 as required by law.**

You will be notified if this language assessment is required for your student. The test will be administered in a location given to you at the time the test is arranged for your student.

\_\_\_\_\_ **WRAT Pre-Test and Post-Test:** WRAT test for grades K-2 will be administered by your ES.

\_\_\_\_\_ **School Math Assessment:** Assessment for students in grades 7-8, or younger if students desire to take Algebra at an early age.

---

## PARENTS WITH STUDENTS IN GRADES 10-12 MUST INITIAL the item below

---

### **CAHSEE required for all 10<sup>th</sup> graders, and 11<sup>th</sup>/12<sup>th</sup> graders who have not yet passed the CAHSEE.**

This mandatory High School Exit exam must be first taken when the student is in 10<sup>th</sup> grade, and then continued until both subjects are passed. All students in 10-12th grade who have not yet passed CAHSEE will complete online diagnostic assessments throughout the year to monitor student's progress and readiness. Students in 10th grade who do not score proficient, and all 11-12th graders who have not passed the CAHSEE are required to participate in our CAHSEE Intensive program.

### **OPTIONAL**

\_\_\_\_\_ I would like to **volunteer** to help as a parent volunteer at my student's STAR testing site in the Spring.

\_\_\_\_\_ I understand that I cannot be in the same room as the one my child is in for testing. Contact Phone Number: \_\_\_\_\_

\_\_\_\_\_ I will need a test location that does not conflict with my religious beliefs.

I agree to take responsibility to see that my child is at each mandated test session for their grade level. I understand that by initialing the above statements and signing below, I agree that my student will attend the required assessment sessions that are considered a school appointment according to our school's truancy policy.
